profiles made from
natural terpenes.

terpenae

awaken your senses.

Pure natural terpenes
Terpene strain profiles

Improve flavor of any products

Enhance taste and flavor of any weed and hemp derivative.

Give a cannabic flavor to any edible.

Use Terpenes as a specific exotic scent.

Enjoy our rich selection of Terpene blends.

Each formulation is using 30 to 40 natural Terpenes to match the original aromatic characteristics of each strain profile.

We use only natural Terpenes from botanical sources, top purity high grade with batch traceability to compose our Terpenes strain profiles.

Find your favorite strain into a wide range.

Feel a strong experience discovering the world of Terpenes.
